What is the meaning of our existence in this world?
Humans are like a cluster of stars... their lives as brief as the sight of a meteor...
Even the mighty dragon clan had to face one day the decay of their once powerful empire.
Why would people want to resume old conflicts just to obtain an illusion of power?

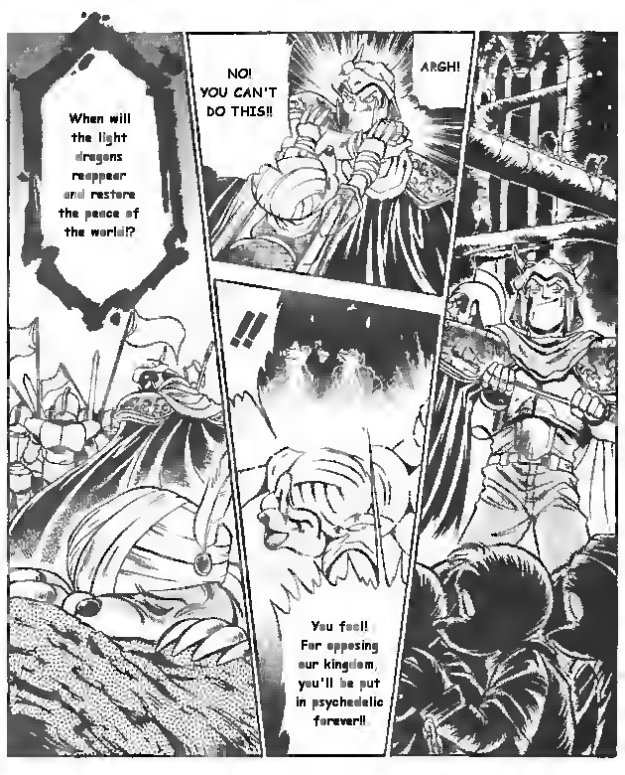
Of course... not everyone is willing to join in this mad quest.
Don't flee.... FIGHT!!

Their thrive for conquest renewed, the dark dragons started the attack.
Damn! The dark dragons sealed the river.
Looks like these stupids are not willing to hand over the 'ring of the brave'.

And this continued for what seemed to be an eternity...
He! This little one was really lucky to survive the flames!
These bastard dark dragon armies act as if there were no people around here!

Hand out everything and you'll be saved!
Forcing the world to kneel before their power.

His majesty commanded us to bring all of your clan to help in the search of the 'goddess key'.
Also, the emperor is plotting the resurrection of the powerful goddess
A-ha! Today is the biggest harvest ever!



When will the light dragons reappear and restore the peace of the world?
NO! YOU CAN'T DO THIS!!
ARGH!
!!
You fool! For opposing our kingdom, you'll be put in psychedelic forever!!

The dark dragon clan keeps getting stronger and stronger
They may conquer the entire world even before the revival of the goddess.
オオ

GET AWAY!!
Will 'that' dragon really appear?
Take us to build the 'ultimate weapon'!? I'LL NEVER ALLOW IT!!

Oh my God!
EEK! The dark dragon armies!
All right, today I'll gain even more money!
Hmm? What's that?

Supposedly after crossing this forest I would reach Wyndia in no time
I got lost. Now what am I supposed to do?
Dork dragons again
SIGH
I guess being strong or high spirited won't take me out of this one
It's my fault for not learning the directions properly

Guess I'll just camp here today. I'll fish as much as I want!!
Wow!! There's a lake!
Clean water and lots of fish! I'm getting excited!
I wonder how is everyone doing
!?

Ah!?
This girl is so beautiful!
Heart pounding fast

Sister?
No no! They're not mine...
Eh?
I can see her! Definitely looks different...
Yikes!! She has discovered me!!

No way If I go out I'm dead
Too afraid to come out, you crowd!?
Who dares!? COME OUT!!
COME OUT!!!
As I though it's those Dark Dragon Bastards!
No no...!!
Please listen to me!
I should go out!
That's not right! A man shouldn't

...but about that... one thing I must tell you...
I'm glad that you don't want to kill us...

Ynu have nn chance tn kill us!!
...and it's that we are the spirit knights created hy Karma, the wizard!
He created you!?
Wizard Karma!!
A week ega the dark dragen emperar Zergen sent a letter ...
That wizard Karma ...

None of our healers could cure father's poisoning because...
Don't touch the letter... it has been poisoned!!
UCK!
Fa-ther!!
I infiltrated Karma's tower with my guards...
Wizard Karma ~ Healer of the dark dragon, Zorgen; proficient in the use of various kinds of poison.
I'm afraid that is Karma's secret poison
Kalu! Ilu!
Prin-cess!!
Escape now!!
The tower had many traps and lurking mens-ters protec-ting it but we eventually found the 'remedy'...

Kalu & Ilu sacrificed themselves to allow my escape ...
Lord Kerme is not interested in the remedy ...
Come with me, princess Nina...
GET AWAY!!
He just asked to see you.

What!? Who are you!?
Why do you keep hugging her if she said she don't want to go? You old hacks!
My name is Ryu... Remember it well!!

But even if you remember it it will be useless
HAA!!

What's going on? It's still so early...
Ryu!
Ryu...
Wake up...
It grieves me to see dragons killing each other. After all, we are all from the same dragon clan
Tell everyone to gather at the dragon shrine and prepare to leave!
They're setting fire on the village!
These dark dragon bastards!!

What we face this time are the light dragons
Don't go easy on them!

Lord Judas, we have led them to a dead end as ordered, sir.
Hmm

Hmm mmm ...
We light dragons can't lose to the dark dragons!
Elder, if we don't do something, we'll end up incineroted!
Right! I'd rather die in battle instead of sitting here waiting death!
That idiot dark dragon emperor wants to bring back the old nightmare!
Her coming started a fight for her power that severed our clan in two...
A long time ago, when the dragon clan ruled this world...
The old night-mare!
...surged a goddess of desire. She could grant any wish you had.

If they got all the keys
Both of our clans transformed into dragons and fought a huge battle. The world was almost destroyed because of this...
That's because earning the goddess grace granted you the power to rule the world... That's why we called this the 'goddess war'...
Then a dragon warrior with his five followers stepped in and were succesful in sealing away the goddess by turning into 'goddess keys'.
No!! We can't allow their plan to succeed!
I have a better idea! Just leave it to me.
Everyhody please calm down!!
I know... but don't forget that she has the blood of the dragon warrior.
Elder! Although she is clever, and also the strongest of us light dragons...
Sara! Ok, I'll leave it up to you if that's what you want

Thank you all...
Thank you
I just hope all of you survive...
Please forgive me. The petrification spell will fade in half a day. Meanwhile, you won't be hurt by fire or debris, nor give any signs of life...
Sis...
No matter how hard it is, you have to live...
Ryu, you have a very special destiny...

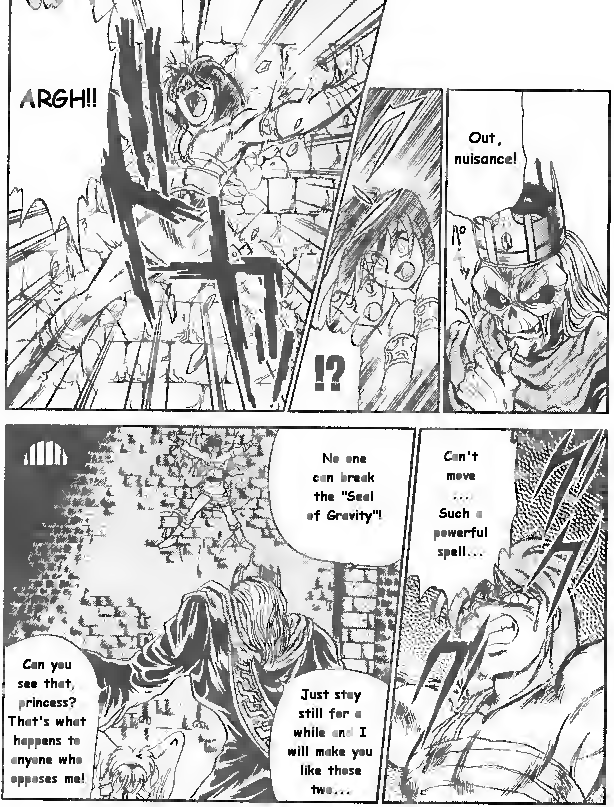
Thank you for your kindness, general...
I'll show no mercy to the one who doubts of her warrior vows!!
Sis
NO!

Sis!
Ryu... I'll leave everything in your hands...!
Ryu, you must live...!
SIS ... NOO!!

Don't move! Your wound has not healed yet.
Ouch...
Sis...!
What is this place?
And my healing magic is not strong enough to heal your wound...
I'm sorry! Because of me... you also got captured ...
We are prisoners in the tower of Karma.
Humph!! You are still alive! Then I will make you suffer more.
It's nothing ...
Don't say that! I would have died for sure if it weren't for your magic...

You are wizord Karmo!
Karmo... Who are those knights?
Why are you so determined to keep him alive?
Princess... I just wanted to see you alone...
ガラーン
Oh? So you want to know...
Well then... let them show you.

What? You knew them?
They are the soldiers who helped me to steal the remedy!!
KALU! ILU!
No! You... you are...
You devil...
I WILL NOT FORGIVE YOU!!
Too bad they don't have any kind of feeling anymore...
MWAHAHA!! How does it feel to meet your old friends?
Your old servants have become my dear "Spirit Knights". Just like recycled trash...



ARGH!!
!?
Out, nuisance!
!?
No one can break the "Seal of Gravity"!
Can't move ... Such a powerful spell...
Can you see that, princess? That's what happens to anyone who opposes me!
Just stay still for a while and I will make you like these two...

YOU SLY, CREEP, LOW, STINKING OLD MAN!!
I'LL NEVER SURRENDER TO YOU!!
Oh then princess
Then I
...no matter what happens ...
...and make the 'eternal life potion' with them!
Then I shall slice you into pieces!!
What!? Fine... If you hate me that much

Sis! Nina!
Awaken, Ryu!
AAAH!!
Nina!
Hee hee Let us start with the beautiful wings!
WHAT!? He broke my seal of gravity!?
That's impossible!!
STOP IT NOOOW!!

The expression in his eyes... and that power
Could he really be the legendary dragan!?
Karma.... DAMN YOU BASTARD!!
Please take out the pain of Kalu and Ilu!!
If you can ~~~~

No problem!
RAAA-ARGH!!

Ryu, thank you.
Now they can rest in peace.
I will continue on my journey
My father drank the remedy and recovers. What are we going to do next?
I have to fulfill my clan's destiny, and also avenge my sister.

What was that noise from outside?
I see... the power of the 'dragon warrior' has been discovered.
Mmm Probably it's a good idea to wake up and see.

If we don't do something... eventually the same thing will happen again and again...
I don't really want such a thing to happen again...
After what happened... I realized that...
Nina...!
Ryu... let me join you! Maybe I can help you a bit...
Thanks Ryu! I'll try my best to improve my healing magic
All right! We are partners from now on!
But we have to be careful... because I can't overuse my powers at will
Wow... that's so beautiful!
How did you know?
I think it's because of this pendant protecting me...
No matter how beautiful it is... it can't compare to your wings... especially when they shine when wet...
YOU WERE THE ONE PEEPING!!
PER-VERT!!
I'm sorry! Let me explain...!

On our way, we will meet more allies who are willing to face the dark dragons.
Let's get going!

None of them want to lose what is most important for their lives.

Fast breath

AAH!!
...hand over that kid and we will spare you!
Girl, if you want to live...
I WILL NOT!!
He can be really useful for us.
You dark dragons are the worst and most evil army in the entire world! I will not allow you to hurt him!!

Ryu, help me!
Ryu...!
DIE!!
So be it...
Then it is useless to talk...
KRRRRRRR
!?
iiARGH!!

Gilliam...
GILLIAM!
You are...
Girl from the Wyndian clan... Are you all right?

I see
You lost your partner in the forest
REALLY!?
Then
There are still many dark dragons lurking in this forest
Let me take you to the village and cure your wound
Ryu, I hate you!
DELE!
What were you thinking going to the forest all by yourself?
This place is no longer like the forest we used to live in
Gai
I'm sorry, Gilham!
Uncle Gai's wedding needed some nutlets as decoration, so

Grilliam
You hear!?
Anyway.... NEVER GET INTO THE FOREST AGAIN!!
Here we are, Nina. This is our village, Tuntar.
Unfortunately, the river has dried up
So our crops hardly grow these days

NO! The village to the right is Tantar. We are not related to them in any way.
.....
Oh! So many houses...
Both of the villages together would make a big village.
Gilliam and Dele look weird... I wonder what's on their minds...
Gilliam is back!
Gilliam!

Tell everyone to gather. We have an important business to deal with.
Gilliam, how's going?
Gilliam, Gilliam! Who is this girl?
Have you seen Dele!
Bro-ther!
Gilliam
YOU FOOL!! What if something happened to you!?
You're lucky to be all right!
He's right here. He went to the forest by himself.
Gal

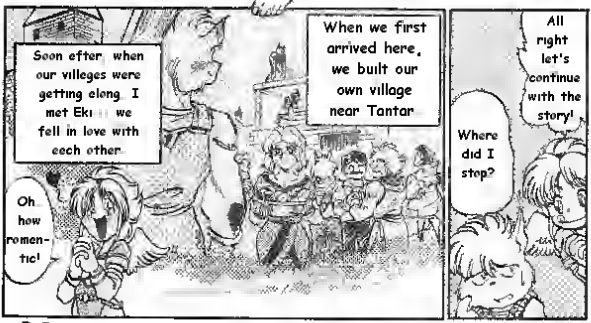
Just help the winged girl with her waund. She was injured while trying to protect Dele...
Hmm ... fine
Brother, can you please stop asking the same thing?
Gai, you really want to marry that waman from the neighbouring village?
Brother ...
It's just that I think mr. Gilliam's face didn't look very well...
Oh, I'm sorry! I talk too much!
It sounds like your wedding was not very welcome, right mr. Gai?

Ouch! THAT HURTS!
But first, let's see that wound
You look like a nice person, so I will tell you why
The giant? The weapon created 2000 years ago during the goddess war?
Then we can remove the boulder blocking the river!
And also defeat these dark dragons for sure!
Our investigation has been a success
We can activate the giant robot at the valley!

How on earth something that important ended up there?..
The weird floating island northwest of Romero?
To activate the giant, we need the 'Royal Key' that is hidden in the floating island of Aque
But there is a problem ...
Now they block our lake, ruining our new life as farmers!
We lost our forest and many of our people because of them!
Years ago, the dark dragons tried to take our treasure, the ring of the brave!
IT'S TIME THAT WE ALL REACT!!

YEAH COUNTER ATTACK!
WE'LL RECOVER OUR FOREST AND PEACE!!
LET'S DEFEAT THOSE DARK DRAGONS!
They would also benefit with the return of the river...
Right!
We'll win for sure if we join forces with Tantar!
Enough talk! Get ready! We'll depart at dawn!
Uh... but...
NO! This war is for Tuntar alone!!
We can rely on Tantar for this kind of situation!

Can't even heal myself
My healing magic has not improved at all...
Hehehe don't worry. That medicine works pretty well
OUCH! Hurts!



Soon after, when our villages were getting along, I met Eki :: we fell in love with each other.
When we first arrived here, we built our own village near Tantar
Oh, how romantic!
Where did I stop?
All right let's continue with the story!

One day the dark dragon army attacked ...
But something awful happened
Both villages supasedly were getting along and helping each ather...
Actually it wasn't a real attack. It was more likely a scouting raid due to their low numbers
And thus all of the villagers of Tantor were unharmed...
The people of Tantor, not having any combat experience, get frightened and run to their houses ...
But there was a lady from Tuntar that was left behind with no way to take cover...
...and she died impaled by a spear.
Closing doors and windows ...

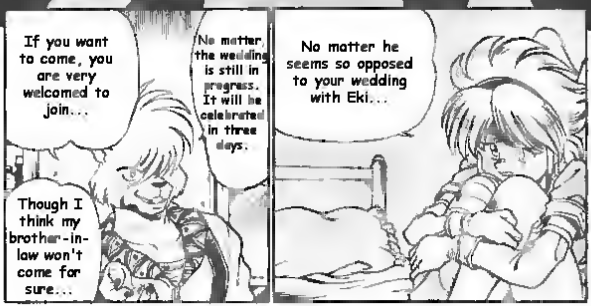
All of this happened because of you guys moving here and meddling the villages!
But the villagers of Tantar blamed Gilliam for the attack.....
That lady was Ami my sister
!!!
and also Gilliam's beloved wife!
You have all of the responsibility!
ARE YOU SATISFIED NOW!?
AND I WILL PROTECT ALL OF YOU!
ALL RIGHT! WE WON'T ABANDON THIS VILLAGE!
And he took the responsibility of keeping both villages safe.
And then he became really quiet
!!!

Yes, at first I hated them all because of that...
Actually, when this happened, everyone wanted to let her in
But then I realized that it was not completely their fault
How heartless of them to abandon her
These people
My fiancé also tried to let her in She always regrets about that
But it was too late
He really couldn't blame everyone
Actually, Gilliam also knew about that
It's just that the death of his wife was too much for him
Everything happened so suddenly

He couldn't accept the fact...

And so he closed his heart

...



If you want to come, you are very welcomed to join...
No matter, the wedding is still in progress. It will be celebrated in three days.
Though I think my brother-in-law won't come for sure...
No matter he seems so opposed to your wedding with Eki...

Dele is my nephew
... and Gilliam's son
Is he your bastard son?
Don't be ridiculous!
Of course! I'd love to!
By the way, what is your relationship with Dele?
GILLIAM'S SON?
WHAAT?
I see
Maybe his son thaugh about that reputation and respect, and became afraid of calling him 'father'
Gilliam is really respected oreund here. He is very different from the rest of us ...
Then why Dele never calls him 'father'?

It will not be my fault if you are kidnapped...
I warned you not to go too far...
And it's not an animal's
I smell blood!
HEY NIINAA!
A pile of corpses!

Are you the one who killed all those dark dragons!?
Who is she?
Is she friend or foe?
She looks so familiar

Has Gilliam awakened yet?
Good morning Dele
Good morning sis Nina!
They said they were going ta the floating island of Aqua
WHAT?
Everyone has left already
IT HURTS!
CRACK
OH MY GOSH! I OVERSLEPT!

Dele...
Why don't you call Gilliam 'father'?
Can you walk?
But I can fly
Nope ...
Actually, I'm the princess of Wyndia, which means I'm the daughter of the king...
I'm sure he will be very happy if you do ...
When I was little ...
I didn't get along with my father very much ...
So I understand how you are feeling...

Sis Nina !
Take care of yourself
Well, I'm off
Sis !
Ku ku ku
The son of Gilliam
can be very useful

They're trapping us!
There are more coming from behind!
Brother, let's retreat for now...
and rethink our strategy!
MWAHAHA! YOU HAVE BEEN SURROUNDED!
NOW YOU CAN'T ESCAPE!
The leader of the resistance, Gilliam, has finally fallen in our hands!!

Shit! It's over ...
We'll be rewarded!
AH!?
Commander!
PEOPLE FROM TANTA
The villagers from Tantar came to rescue us!
WHAT!?

Asking ta leave the past behind is impassible, but...
This battle invalves all af us!
Even though we can't fight very well, we've learned a few things fram you!
Gilliam, let's fight together!
But haw did you knaw where were we heading?
We're saved...
Thanks every-ane!
Hmm...
Never mind...
I alsa had tald the peaple of Tantar abaut this...
I'm sorry, I tald Eki before coming here...
Me too...

龍之戰士

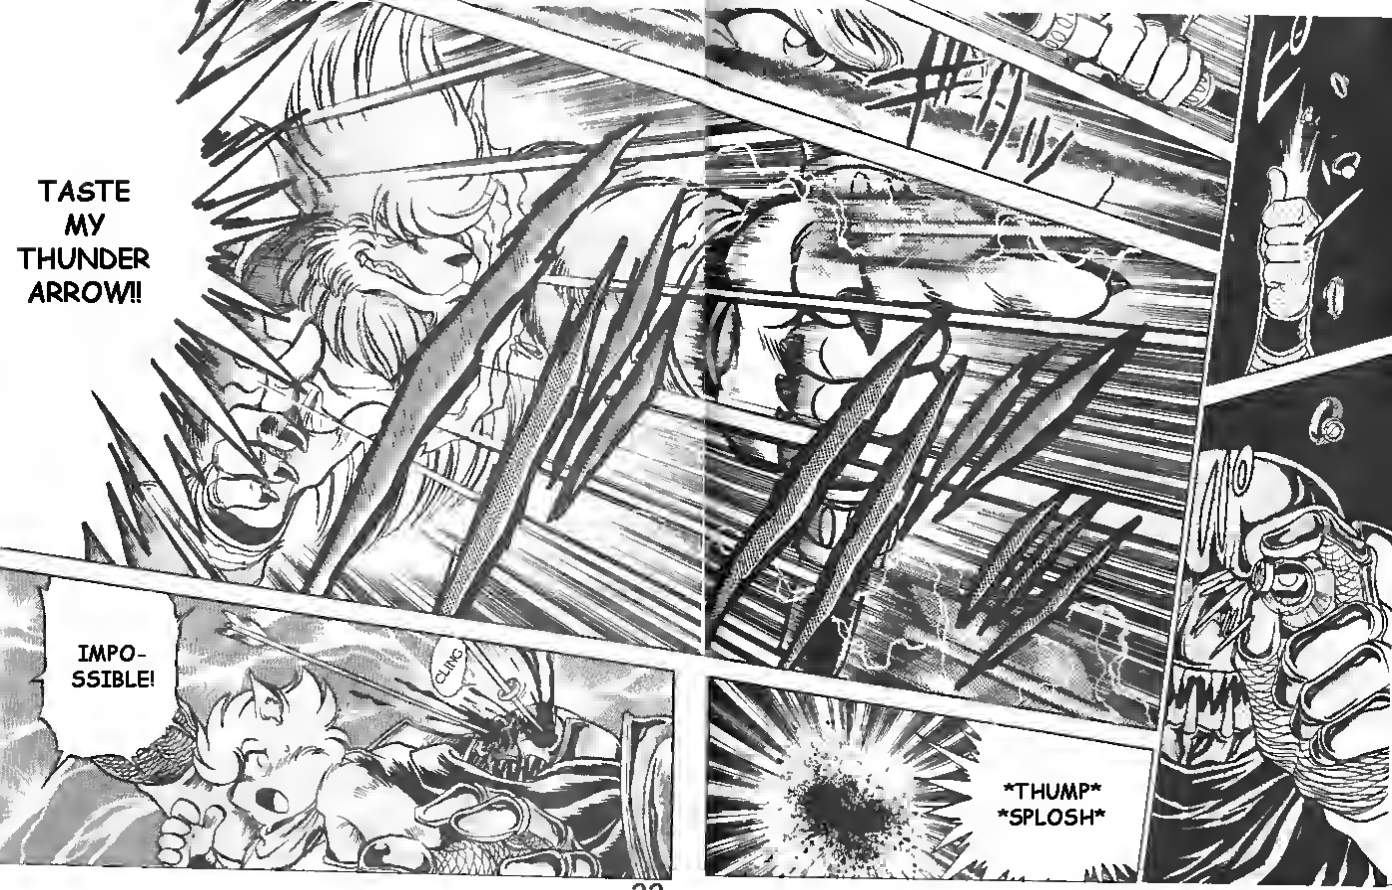
GILLIAM! Give me the ring of the brave now if you want to save your son!
Everyone put down your weapons!
Hoho! It's still too soon to feel reassured ...
Gilliam, don't listen to him!
You want the ring that badly!?
DELE!!
Special abilities
To avoid the possibility of it falling in the hands of certain person that can use special abilities with it...
Dark dragon emperor lord Zargon ordered us to get that ring...

Oh! So you were wearing it...
Actually I wanted to give it to that person...
Conversations are over.
Throw the ring to me now!
No arrow can penetrate this armor of mine!
And don't try any sneak attacks with your arrows!

Only Gilliam can wear it!
Gilliam is the brave!
There is something I've wanted to tell you for a long time.
Don't let him get you because of me.

The brave wan't hate people!
Please forgive the people from Tantar!
I'm sure mama daesn't want you to became like that neither!
¿¡No es cierta...!?
¿¡No es cierto...!?

Shut up already, you brat!
Or else you will die soaner!
...FATHER?
Hmph!
Father
Dele, your father will first save you
and then recover the ring
All right, I'll give it to you.
You had no other choice, right?



TASTE MY THUNDER ARROW!!
IMPO-SSIBLE!
CLING
THUMP
SPLOSH

Dele! You're all right!
Father!!!
Father!
All right, everything is fine now! Let's continue our journey to get the Royal Key.
Now, in front of my son, I ask for your forgiveness...
Please, forgive me.
To all our friends of Tantar, I tell you this: my heart was full of hate because of the past events...
Father
Gilliam
Please don't say that...
Yes, I know

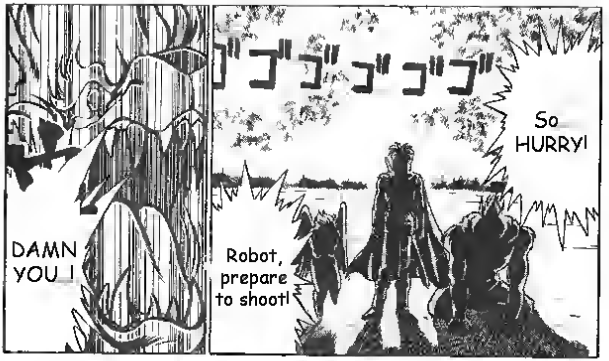
Ryu! It's you!
Is this what you're looking for?
That wan't be necessary
Sorry to ask, but... How did you get that key?
So he's Ryu
You and I are the same
A mysterious lady gave it to me...
And then she dissapeared I don't know who she was...
If you need this key, feel free to use it.
Thanks We owe you a big one
I'll give it to you right away!

Look, the river is flowing once again.
Now both villages will recover their former life
Just by watching this scene, my depression seems to fade.
My mood is so good that I think I'll join Gai's wedding!

Ryu, I have a little request
Would you wear this ring?
But it's yours ...
Don't worry about it.
Does it fit?
Why would you want him to wear it so suddenly?
That brat is unworthy to wear it!
The ring shall be mine!

All of you left me lying there, thinking I was dead...
I forgot to tell you that my body regenerates.
I know that voice!
It's that guy again!
And he is controlling the robot!
So, for piercing my eyes...
I will now make you homeless!

!!
!!
If I give this robot together with the ring to his majesty, I'll be promoted to general for sure!
Mwahaha! Great!
LEAVE THE RING AND FLEE AT ONCE!
If you want the village of Tontor to survive....



DAMN YOU!
ゴゴゴゴゴゴゴゴ
So HURRY!
Robot, prepare to shoot!

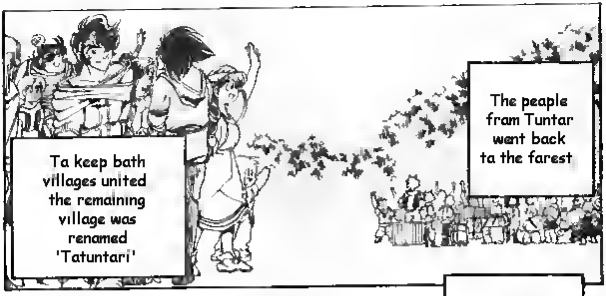
Take Gilliam and leave this place!
Nina!
What are you going to do?
UNGH
Gilliam, leave it to me!

Of course I'm going to...
Do I have to answer thar?
KILL THAT BASTARD!
TRY IF YOU CAN BOY!!!
MWAHAHAH Interesting...

That's impossible!
It responds to my sister's necklace...
This ring is really something!
And awakens my inner strength!

I'll turn you into dust!
But I believe my cannon wave will finish you!
This brat He looks as if he were protected by dragons!
It can't be!
He really is deflecting the cannon wave!!!

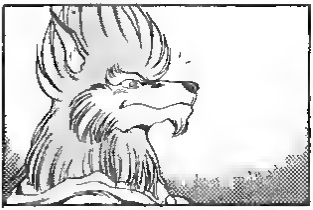
And finally the events started ta settle down...
When the giant rabat attacked Tuntar, nabady was there... everyane was in Tantar in that mament...
Ta prepare the wedding af Gai and Eki... thus everyane was safe and saund



Ta keep bath villages united the remaining village was renamed 'Tatuntari'
The peaple fram Tuntar went back ta the farest

It seems meeting yau guys gives me a gaad chance
I've wanted ta travel for a lang time
And Gilliam decided ta travel with us

Even if I wear it
It wan't have any effect an me
But I really want my father ta wear the ring
Father will came back saan!
Dele! Be gaad and listen ta Gai
Yesll



And thus

I'm pretty sure of it!
BUNCH OF IDIOTS! YOU'LL BE ALL KILLED BY THE DARK DRAGONS!!
DANC ..... THE NIGHT DWELLER!!
THE DARK DRAGONS WILL BE DEFEATED BY ME
Danc, the night dweller?

WHERE'S EVERY-BODY?
Old man ... WHAT HAPPENED HERE!?
LEAVE THIS PLACE!!
Danc ...
...by the dark dragon army!
They all got killed...
Let's just get outta here!!
Don't say stuff like that now!
But you ... You must live, yes!

You must go and defeat those dark dragon murderers
Leave!
OLD MAN!!!
It can't be done~
Uhm~ I wish I could
but ...
AAAH!!
My son, I'm so glad to have had the chance ...
to live with you as father and son ...

That dream again!
DAMN!!!
OLD MAN!!!
That guy
Ryu....

Town of Gantz
GET OUTTA HERE!!!
RYU!! GILLIAM!!
AT LEAST TELL US WHAT HAPPENED!!
Who are you!?
Then I'll tell ya and after that you leave!

This village has been abandened for a good while... a few months I'd say...
The name's Builder. I'm from the Iron Ogres clan...
So don't even think about getting any goods...

They were taken to castle Neboro northwest of here in order to use our people's skill to make their "ultimate weapon"!!
...because all the people and stuff were taken away by the dark dragons!!

Yeah can turn the whole island in dust just in seconds.....
Not even a barrier would withstand the powerful blasts of the attack!
ULTIMATE WEAPON!!!

Builder, I have another question...
If everyone were taken captive... Why are you here?
Yeah! Let's destroy the weapon and save the villagers
We have to do it without fail!
Gilliam!

That's not what I meant!
I know samething happened and turned you the way you are now!
OR THAT I BECAME A DRUNKARD TO BE BLIND TO THE MADNESS 'ROUND HERE!?
YOU SAYIN' THAT I ABANDONED MY FELLOW AND JUST ESCAPED!?
WHY WOULD YOU DO SUCH THINGS?
So if you're that powerful
Because when you threw us out af there I felt the might and skill af a warrior!
DEFINITELY!!
You guys can't beat 'em
PHEW
~~~ That was a lang time aga
~~~

Judas!?
That damned Judas is so strong!

Not my fault the raw scans looked even worse =(

It was 'reund half a year ago
The dark dragons launched their attack on this city
But then
My wife was taken as an hostage and they told me that for her sake I couldn't fight back...
I did all I could to get rid of the invaders
...
I'll release your people if you can defeat me
And then that man appeared!

WILL YOU REALLY DO IT?
That man Judas, the dark dragon lord Zargan's right hand...
You can only use your weapon, not magic.
I swear by my sword!
But I still was no match for him!
At that moment, I had defeated many of his men ...
He's too damn strong!!

I was completely defeated
This can't be!!
So she is your wife
Help me!
Ku ku ku...
YOU CAN'T BE FORGIVEN!!
Then his face changed completely Maybe it was his true personality
True this can't be!!

AND THE BASTARD SLASHED BOTH JANE AND HIS MINION!
うおおo

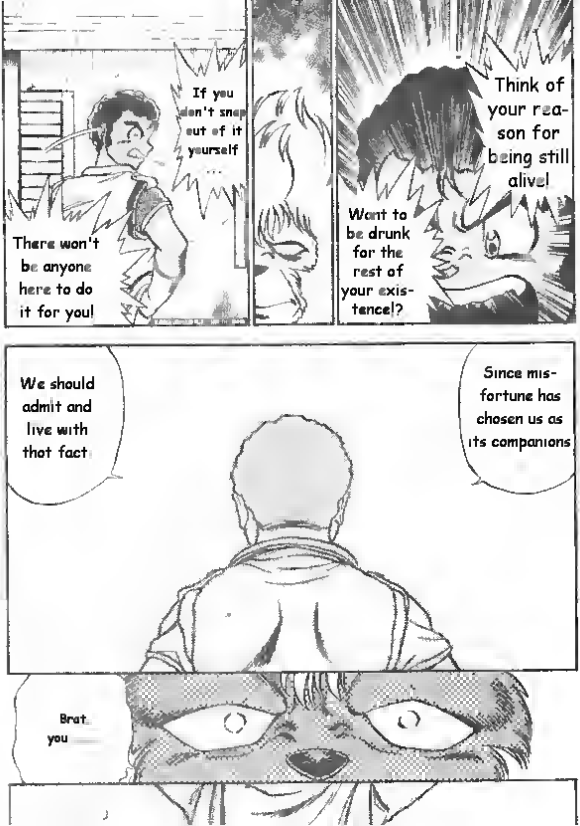
Too bad you can't defeat me though....
Hahaha yes that is the way to fight
How boring... Begone!

And I fell down the cliff badly wounded...
My body is tough, so I survived the ordeal somehow...

I'M A DAMNED LOSER!!!
I've lost my love, my pride, even my soul...!
The fool who couldn't protect his dearest ones does not deserve to live...
It seems he's not the one we require
Let's keep going

未完待續

My clan, my people, everyone were slain by them!
I was the lone survivor of my people.
My home town was raided by the dark dragon army...
Huh!?
But I've never seen myself as defeated by those bastards!
I'D RATHER RESIST 'TILL THE VERY END THAN ADMITTING MY DEFEAT!!
Not to mention the fact that my misfortune makes yours sorry...!
I didn't had a chance to fight back like you did...
And my power is crap compared to yours...



There won't be anyone here to do it for you!
If you don't snap out of it yourself ...
Want to be drunk for the rest of your existence!?
Think of your reason for being still alive!
We should admit and live with that fact
Since misfortune has chosen us as its companions
Brat, you

戦士
